## Park lark

**C**razily horny, one night at dusk my husband and I took a stroll in the park. Walking amongst the trees, I was already really randy. My juices were flowing and my nipples became hard and erect. My husband knew I had the horn, without me saying a word.

We started kissing and soon got into some really heavy petting. I unzipped his

and fingering my wide, wet pussy.

It was a big thrill because a lot of people used the park for walking and we were in danger of being caught in the act.

We couldn't stop. My husband thrust his big warm cock into my wet pussy. I was begging for him to fuck me harder, telling him I wanted more cock.

After a while I pulled away so I could lick my juices off his soaked cock and balls. "Bring that pussy up here!" he said, so I sat on his face.

I came all over his face and into his mouth.

Then I licked my juices off his chin. He bent me over and slammed his meaty cock up me again, fucking me even harder than before.

Finally he came like thunder. It was amazing sex, all the better for the risk of being caught.

Anyone who is interested in fucking me in front of my husband, please contact me!

*Madeleine, Bucks.*

## clit torrent

**I** know all girls are pretty wet around the pussy by the time they orgasm, but you wouldn't believe this girl I know, Kelly.

It was my wife, Tamsin, who "discovered" her – Tam's bi and if she wants a fling with another woman, I'm not going to stop her. Whether or not I get involved is down to the other girl – some are out-and-out lezzies, but now and again it happens.

I'd never seen Tam as excited as when she came

jeans and got his cock out. It was rock hard. I took my tongue to his big shaft.

He thrust his cock in and out of my mouth until I could taste his pre-cum on my tongue. He was sucking my big soft tits

home on the Saturday after copping off with Kelly the night before. "She's coming round to ours tonight," she said. She seemed to be bursting to tell me something, but when I asked she said I'd find out later.

Kelly was pretty enough – quite small but curvy with reddish-blond hair and a few cute freckles on her

nose. Her pussy was totally shaved, and Tam got stuck into it pretty much the second we hit the bedroom. At this

all horny and smirking, and I moved in to give her a kiss, so I could taste those sticky juices for myself.

Kelly seemed happy for me to lap some up straight from her twat – in fact when I went to pull away, she pressed her thighs against my head, encouraging me to carry on.

My prick was as hard as a stick of rock, and Tam slithered under my crouching body to suck it. As I tongue-fucked her bi-friend, fingering her clit, she had her lips wrapped around my helmet. Kelly had already cum once, so it was taking me a bit

harder, horny with anticipation, as we realised Kelly was getting close. She says my cock was twitching in her mouth, so her sucks became a little stronger. Now don't get me wrong – when it comes to being my perfect fuck, no one even comes close to Tam. But I've never felt anything in my life like what I

## AS I TONGUE-FUCKED AND CLIT-FLICKED HER BI-FRIEND, SHE HAD HER LIPS WRAPPED ROUND MY HELMET

felt when Kelly came.

As I clamped my mouth over her pussy-hole, little spurts of cum-juices pumped out over my tongue – at the very second Tam was sucking my own load down her throat. A bit weird, perhaps, but the most fucking incredible sexual experience of my life.

Tam's tried to see if she can cum like this. So far she hasn't, so maybe a girl just "squirts" or doesn't.

All I can say is I hope every bloke gets to experience this sort of thing at least once in his life – it's just fucking incredible.

point I was on the sidelines, just watching. I also noticed what Tam was doing to Kelly – licking and sucking on her clit, but instead of having three fingers jammed up her snatch, she just had the one, hooking it around to rub her G-spot.

A few minutes of this soon got Kelly close to cumming – her body was trembling so her plump tits quivered – then Tam told me to watch as she switched to using her free hand on Kelly's clit, the other finger just tickling away inside her.

Her face was still just a few inches away from Kelly's cunt, though, and I wouldn't have believed what happened next if I hadn't seen it.

As she came, Kelly's pussy tightened, squirting a load of juices out over Tam's face in three or four little jets. It's the sort of thing you read about and think is bullshit, and then suddenly it happens right in front of your eyes! In your eyes, in fact!

Tam turned to look at me,

longer to get her to the brink, but Tam was happy to string things out, toying with my balls.

# THRILLS!

# TOM OKO

We love pics like this from our readers — no fancy lighting or silly props, just hardcore fucking from a couple who are really really into each other. "We fucked all night and got a male friend to take the pics. We took pity on him and sucked him off in the morning!"

For us, a spa treat means a trip to the corner shop for a packet of Frazzles, but Tomoko prefers to pamper herself in style. "Summer means taking a break from the stresses and strains and doing absolutely nothing," she sighs. "Well, if by nothing you mean lazily sucking and fucking all day long in my hot tub! I like to get it bubbling up with a group of mates. There's so much froth you can't tell who's that finger is sliding inside your pussy, or whose cock you're stroking to full hardness. Sure you won't join us?"

## No secrets

**M**y husband Gary and I have got no secrets from each other, and we've even fixed up "bits on the side" for one another.

One of my best experiences was when Gary invited Ryan, an old schoolmate of his, to stay. I'd met Ryan at our wedding and liked him, and when Gary told me he'd just split with a girlfriend, I got the feeling I'd be doling out more

turned my knees to jelly and gave me an instant juice-up. Hell knew what I'd be like when he used his cock on me!

Gary was there too – I saw him in the mirror, grinning all over his face and rubbing his crotch. I let my robe slide to the floor, then turned around and watched them as they rushed

skin between them as I sucked him. Meanwhile, Gary had got in behind me and was stroking my slit as he watched me go down on his mate. All the while I tried to focus on sucking Ryan's cock as my husband pumped two, then three, fingers in and out of my cunt. I only faltered as I came to orgasm.

I soon picked up where I'd left off, though, and didn't even miss a beat when I felt Gary

fumbling with my arsehole. He loves fucking me up the

## GARY STROKED AND FINGERED MY SLIT AS HE WATCHED ME GO DOWN ON HIS MATE

than sympathy.

He was as gorgeous as I remembered, and a few drinks really got the sexy conversation flowing. It was soon clear Ryan fancied me like I fancied him, and that we were all up for a threesome.

I went up to the bedroom first and put on a slinky robe, then someone – Ryan, I realised, came up behind me and gave me a kiss on the back of my neck, which

**HELENA, LANCS**

to strip off.

I thought I'd start things off by giving Ryan's cock a sucking. He stood at the foot of the bed

as, on my hands and knees, I stretched my mouth around his thick tool. He had the most massive pair of balls I've ever seen and I cupped them and traced the seam of

bum and tonight being one of those 'anything goes' nights, I just relaxed into it. Then I realised he wasn't about to ease his cock up there – he'd taken one of my vibrators

off the bedside cabinet and was going to use that on me instead.

He pushed it in me, dripping with lube, right up to the hilt, using it as a butt plug. He didn't switch it on – he wanted me to feel his cock going up my cunt.

He'd done this a couple of times before and it had always meant the tightest fuck you could imagine. And picture me, crouched there with one huge, salty prick in my mouth and my husband plugging my other two holes.

All I needed was a couple more guys lying underneath me so they could suck on my nipples and I'd probably die of orgasm overload!

But it wasn't me who came first. I'd been sucking on Ryan's cock for a while now, and he was getting right up to the edge. I took a big, deep breath and sucked him right down my throat, and when I felt the first jet of his spunk, I drew my head back so my tongue rasped against his spouting helmet.

When I'd drained him of every last drop, I let his shaft slip out completely. It was still sticking up stiff, pointing right at my face.

**CONTACT  
ME**

Gary was still pumping away, his cock buried in my cunt as he twisted the dildo in my arse, and suddenly all the pleasure came to me in one big rush. Every muscle clenched tight, then quivered around the two fat lengths inside me.

I had trouble holding myself steady so Gary pulled me upright, cupping my tits as my arse pressed up against his crotch. I almost passed out as he filled my pussy full of hot spunk.

He pulled out, laying me gently on the bed, and when I opened my eyes Ryan's crotch was right in my face again. His cock was soft now that he'd cum, but it didn't stay that way for long!

*Helena, Lancs.*

**ISABELL**

Like those American cops who feel they have to unload their clips into some poor bloke who's three miles over the speed limit, we're going to shoot first and ask questions later. "Mmm! Why don't you cuff my hands behind my back so you can spray all over my boobs and face. I'll be helpless if you want to force your cock into my mouth and jet down the back of my throat," says the 22-year-old from Kent.

CELEB

Girls – as a rule, don't believe a word your boyfriend says. "I'll be back in an hour", "I'm only going to have a couple of pints", "Of course I don't fancy her" – all trusty male lies. Where was Adam when Eve needed him? He said he was only popping to Homebase. But, when Lexi's boyfriend said: "You know, you're just as fit, if not fitter, than those girls in Escort. You should become a model!" luckily Lexi was savvy enough to know that he was telling the truth. So here she is. Though if he thinks she buys that he didn't get a lapdance on that stag do recently, he's got another think coming.

So maybe make that Stiff of the Dump. But it got part-time cleaner Lucy all riled that she had to dust shelves and Hoover nooks and crannies instead of spending her day covering herself in yoghurt and pretzels. So we gave her permission to do just that, and here are the results...**

Every time I'm about to take my shot, they shout 'Fore!' for me." We hate to disabuse you, Caroline, but we think you'll find that's "Phwoooooaarr!" they're yelling!**

## EX appeal

I didn't realise I fancied other women until I started reading girlie mags in bed with my boyfriend, Luke, and watching porn videos.

Soon I wanted to experiment with this side of myself and as I wanted my bloke involved in any scenes, I let him contact Katy, a girl he'd dated who was bisexual.

She was small and gorgeous, with long black hair and big green eyes. We were both a bit on edge at first, but a couple of drinks soon sorted that out. Luke poured us one more refill and suggested we should take them up to the bedroom.

At first we just lay side by side then, as I turned to put my glass on the bedside table, I felt Katy rake her long nails gently down my spine. I rolled over and we wrapped ourselves around

I liked through instinct. I was squirming, humping hard against her hand as she got three fingers up my twat, and hardly noticing when Luke came in a few minutes later.

He'd already stripped off and he stood over us,

I got right in close so I could watch him put it in the first time – the second he touched his cock to her hole it seemed to flow with juices. Then he was balls-deep in her and started thrusting away.

As his prick pounded her twat, mine was aching like I was getting fucked too. I got going with my vibrator, switching it on and grinding it hard against my clit as well as pumping it in and out of my hole.

I was the first to cum – when I've done it once I orgasm even easier the next time. Luke was next and Katy hooked her legs behind his back so he'd lose his load inside her cunt.

She hadn't cum yet, so I took over as Luke knelt up,

## HE STOOD OVER US WANKING AS HIS GORGEOUS EX FRIGGED MY PUSSY

fucking, how she seemed the sort of girl who wouldn't leave his cock alone until she'd cum again and again.

He was still gagging to fuck her – that was obvious so I told them to go for it, and got my vibrator out of a bedside drawer so I could frig myself as I watched them.

Katy lay back and spread her legs – her twat was a much deeper pink than the rest of her pale skin and framed by her trimmed black pubes.

Luke started rubbing her with the pads of two fingers – just the way I like it myself.

sweating, his cock still hard and coated with her juices. I was dying to suck it but he was still too sensitive, so I played with Katy instead.

I touched the tip of my vibro to her clit and clamped my mouth over her hole, jabbing my tongue inside her as a mix of her juices and my boyfriend's creamy spunk trickled down my throat.

Most women probably couldn't cope with watching their bloke shag his gorgeous ex – but as I fancy the arse off Katy how I can I be pissed off with Luke for feeling the same way?

each other, kissing deeply. Katy seemed to just slip into it, sucking on my tits and sliding a hand between my thighs to feel up my twat.

Katy seemed to know what

wanking as his gorgeous ex frigged me.

Katy was sucking hard on my tits now – guaranteed to send me off into space – and I kept thinking about them

## Naughty winks

I work at an all-night garage and sometimes I do the graveyard shift, which is okay, though it can get bloody boring. When I don't have any customers for ages, I find my mind starts to wander, usually to sex. Sometimes, I'll even sneak my hand inside my knickers and give myself a quick frig!

The other day, just after the person taking over from me turned up, Sean, a neighbour of mine, pulled in to get some petrol and a pint of milk. "Mind if I bum a lift home?" I asked. "Sure," he replied with a grin.

While we were driving along, he said he always had to watch a couple of hours of telly before he could get to sleep. "There's quicker ways to wind down," I said.

£90

When we got to our street he asked me in for a cuppa. "Maybe that'll help you wind down," he smirked. We sat in front of the TV to

drink it, and I couldn't help but think how sexy he looked.

"Do you want to see how I wind down?" I said. He just gazed at me as I undid my skirt and let it drop to the floor, and then stuck my hand down the front of my knickers and started frigging away at my clit.

"Okay," said Sean. "Now that you've showed me, I'll give it a go." Then he grabbed my hand and pulled it free of my twat, before putting his own hand in my knickers.

I unzipped his flies before giving his cock a good pumping with my hand. As pre-cum began to seep out of the end, I nuzzled my way down and kissed the end of it, licking the salty drops off my lips before taking him right into my mouth.

Sean just laid back and enjoyed it for a couple of

minutes, then went back to fingering my pussy again. But just as I was really getting into it, he pulled his fingers back out and eased two of them, sopping with my juices, up my arse.

He took it slowly and gently, making sure my ass was well lubed up with my own juices as I sucked on his prick. Soon he was fucking me with his fingers, but I wanted more. His cock felt so big, hard and juicy

## Fearless fuck

This is how I met my girlfriend Jacqui. I was at Gatwick and this girl was so scared of flying she was smoking and drinking like a trooper in the pub there.

I didn't know how she was going to get on a plane, however drunk she got – every time they announced a flight, any flight, she kept grabbing my arm, terrified

it was hers. "It's okay," I said, trying to soothe her by stroking her hair. Absent-mindedly I dropped a kiss on the top of her head. She tilted her face up, looked me

so fuckable lying on the cold white tiles, with her skirt hiked up around her waist to expose black stockings and suspenders.

"This doesn't mean anything," she said. "It's just to take my mind

wank it, telling me to get in between her legs. Then she started rubbing it all over her mound – her short pubes tickled like anything against the underside of my head – and played it up and down her juicy slit.

"You want it now?" I asked.

## SHE RUBBED MY COCK ALL OVER HER MOUND AND JUICY SLIT

right in the eye and started snogging me. It must calm her nerves, I thought.

As she found my crotch I broke the kiss and whispered in her ear that we'd better go somewhere a bit more discreet. "Okay, give me a couple of minutes and then follow me into the loo," she said. Whatever you say, I thought.

She beckoned from a cubicle – the biggest, with plenty of room for us to stretch out on the floor. She looked

off that fucking plane."

I'd already decided to lick her halfway to cumming before we fucked, and her tight-moist pussy looked perfect for a tonguing, but she just wanted to cut to the main event. Her hand still shaking, she pulled my cock out of my pants and started to

He laid me on my back

on the settee, with my legs shoved up and back. "I want to see your face while

## HE SAID HE WANTED TO SEE MY FACE WHILE HE FUCKED MY ARSE

I'm fucking your arsehole," he said. Then he slowly edged his cock up my arse. He just stirred it around at first, getting me used to the size of it stretching my hole. Then he started screwing me as hard and deep as he'd have fucked my pussy. I don't know if he kept watching my face – I just shut my eyes and thought about what I was feeling. And what I finally felt was a hot, orgasmic spurt as his jizz shot out deep inside my bum. Beats sleeping!

body shuddering and arching under me. I got so caught up in her orgasm I didn't even try to hold back, and the way her twat was tensing and rippling around my shaft soon took me beyond that point. I groaned then slammed my hips forward, burying my prick inside her juicing hole as my balls bunched up and

She groaned and rolled her eyes – stupid question, really.

"That's it... nice and deep..." she groaned, spreading her legs as wide as she could and raising them up in the air, so my cock penetrated her as deep as it would go. As I ground in, I suddenly felt her inner muscles clench around my prick. Then I felt her

emptied their entire load inside her.

Just as I tried to pull out of her she clasped her legs around my back, rubbing her clit against my crotch and bringing herself to another orgasm. .

We ended up on the same flight and spending time together at the resort. The rest is history!

## Bottom feeder

**M**y fella has always been interested in my arse when fucking me and will often fill it with one, then two, fingers as he canes my pussy.

Sometimes he will tease it

anticipation surging through me.

All of a sudden I felt his rock-hard knob thrusting into my cunt, slipping in so fast it took my breath away.

He spat down my arse crack and teased the entrance to my arse with his fingers. One

went up, then two, three...

"Give it to me," I

begged. So he pulled out of my cunt, his cock dripping with my sticky stuff and rammed it up my bum.

I squealed with pleasure. "Fill me more!" I demanded, goggling at the dildo on the bed.

So with his huge stiff cock still buried in my arse, he poked the dildo into my cunt, pulled my head back and stuffed his tongue

deep into my mouth.

That was the best orgasm I've ever experienced!

with his tongue, driving me crazy and making my cunt loose, hot and wet.

One day I was feeling so horny and chose my favourite

## HE RAMMED HIS DRIPPING COCK UP MY BUM

dildo to join him for a feast of arse-fucking.

It began with his tongue moving from out of my mouth, down my face, down my body, stopping only to gently bite my nipples on the way down.

I was laid on my back, legs spread and as he reached my inner thigh cunt juice was dribbling down my leg.

"Turn over," he said. "Show me your arse."

So I got on all fours, aching for what I knew he was going to do.

"I want to take pictures of your arse before I fuck it," he said. "Then I'm going to give you what you deserve and photograph it afterwards."

The idea excited me even further, fulfilling my fantasy of exposure.

**What do women want? Freud famously posed the question on behalf of all men left perplexed by their girlfriend's latest saucepan-throwing incident. But sometimes women themselves don't know what they want. Like 19-year-old Zabrina. She's got a darling boyfriend, who buys her flowers and takes her out for dinner who she loves very deeply. And there's her bit on the side, who never calls, unless it's to summon her to suck his cock. "It's a woman's prerogative to have both!" she says.**
